To Whom It May Concern:

I have known Karen for many years and she has periodically cared for my dog and cat over those years. There is no one that I would trust more with my pets and home more than Karen. She is a very responsible, caring and loving woman.

Karen has cared for my dog and cat here in my home during my family's vacations over the years. Her integrity shows in the condition of my home and the happiness and contentment of my dog and cat when we come home.

I know DJ, as Karen's husband. He is a very kind man and I feel very comfortable vouching for his character as well.

If you have any questions please do not hesitate to contact me.
